The City of Ann Arbor has received and acknowledged your Commercial Applicator of Pavement Sealants Registration.

This acknowledgement does not constitute inherent approval or endorsement by the City of Ann Arbor of any product that you or your company may apply. By registering with the City of Ann Arbor you officially acknowledge and understand our pavement sealant ordinance and agree to only apply products that comply with the ordinance.

The Registrant will comply with the requirements of Pavement Sealant Ordinance of the City of Ann Arbor throughout the registration period.

All commercial applicators shall register with the city prior to applying pavement sealant in the city in any calendar year. Registration under this chapter shall be valid until expiration. Registration shall begin on January 1 and shall expire on December 31 of each calendar year.

- No person shall apply a coal tar or other high PAH content pavement sealant product on surfaces within the City of Ann Arbor.
- No person shall sell a coal tar or other high PAH content sealant product that is formulated or marketed for application on surfaces within the City of Ann Arbor.
- No person shall allow a coal tar or other high PAH content sealant product to be applied upon property that is under that person's ownership or control.
- No person shall contract with any commercial applicator, residential or commercial developer, or any other person for the
  application of any coal tar or other high PAH content sealant product to any driveway, parking lot, or other surface within the City.
- No commercial applicator, residential or commercial developer, or other similar individual or organization shall direct any employee, independent contractor, volunteer, or other person to apply any coal tar or other high PAH content sealant product to any driveway, parking lot, or other surface within the City.
- A violation of any provision of this chapter shall be a civil infraction punishable by a civil fine of not more than \$10,000.00.
